Business Summary

The EnVISION Firm provides clients with exceptional, exclusive, and unforgettable experiences in the form of events and lifestyle management travel services. Within our events division, we deliver the best in full service event planning/live event production services including organizing and designing managing events, sound production, custom staging/flooring, catering, and video production services. Within our lifestyle division, we offer both domestic and international lifestyle management travel services including travel arrangements and access to major events and tours.

Why The EnVISION Firm?

The EnVISION Firm was founded by a certified Project Management Professional (PMP) and Events Specialist with over 15 years’ experience overseeing projects from the concept phase to delivery. The EnVISION Firm pays attentions to the client’s needs and delivers the perfect solution to match each request. The EnVISION Firm’s CEO has provided event support in multiple states and has traveled extensively globally.
